Professional Summary

Creative and detail-oriented **Graphic Designer** with 5+ years of experience in UI/UX design, branding, and marketing materials. Proficient in Figma, Adobe Creative Suite (Photoshop, Illustrator, XD), and advanced HTML/CSS. Skilled in developing cohesive visual identities, creating pixel-perfect designs, and collaborating with cross-functional teams to deliver user-friendly interfaces. Proven ability to work independently in remote environments, manage multiple projects, and meet deadlines. Passionate about delivering aesthetically pleasing and functional designs that drive engagement and brand success.

Key Skills

- **UI/UX Design:** Wireframing, prototyping, and creating sleek, user-friendly interfaces.
- **Branding & Marketing:** Designing web pages, social media posts, newsletters, and templates.
- **Tools:** Figma, Adobe Creative Suite (Photoshop, Illustrator, XD), HTML/CSS.
- **Web Design Principles:** Responsive design, accessibility, and cross-browser compatibility.
- **Collaboration:** Working with product teams, UX designers, and developers to ensure design integrity.
- **Remote Work:** Self-driven, excellent communication, and ability to manage multiple projects independently.
-
